Enclosure (27a) to General

GENERAL.

Notification No. 501, *dated the* 3*rd February* 1898.

In continuation of Notification No. 761, dated the 25th February 1897 (as amended by Notification No. 4519, dated the 29th October 1897) and Notification No. 103, dated the 29th January 1898, issued under the Epidemic Diseases Act, 1897, the Resident is pleased to prescribe the following temporary regulations.

1. The Inspecting Officers at Harihar and Yesvantpur on the Mysore State Railway, and at Bangalore Cantonment and Bowringpet on the Madras Railway, and at any other railway stations which may from time to time be declared to be inspection stations, may require any passenger who may have been medically inspected to deliver up his ticket in order that some mark indicative of his having been inspected may be impressed thereon ; and such passenger shall be bound to deliver it up accordingly.

2. On the alighting at a railway station (other than an inspection station) situate within the Mysore State, at which the Governor General in Council exercises jurisdiction, of a passenger who holds ticket from or is believed to have come from a Station which is within the limits of the Bombay Presidency or of an infected area, the police officer on duty at such station shall stop such passenger, and demand from him his name and address with particulars of the place whither he is bound, his business at such place and the length of time he means to stay there ; and the passenger shall be bound to furnish such information and answer all such enquiries truthfully to the best of his knowledge and belief. The police officer shall record such information and communicate it forthwith to a constable deputed by the Mysore Durbar for this purpose.

3. If a passenger from any railway station within the limits of the Bombay Presidency or of an infected area, appears to be attempting to evade inspection at an inspection station by alighting at a station (within the Mysore State and at which the Governor-General in Council exercises jurisdiction) short of that for which his ticket has been taken, the police officer on duty at such station shall insist on his continuing his journey as far as the inspection station, either by the same or the next following train.

4. Any such passenger alighting at a railway station (within the Mysore State as aforesaid) short of an inspection station who, from his being unable to show any business at the place of alighting, appears to have so alighted for the purpose of evading examination at such inspection station, may be detained by the police officer on duty at the railway station at which he has alighted, and be forwarded by the same or the next train to the inspection station. The railway fare of the person so detained and forwarded shall be paid by the passenger and, if not paid, shall be recovered from him by the railway authorities as excess fare.

5. When any carriage from the Bombay Presidency or from any infected area is detached from a train at any railway station (within the Mysore State as aforesaid) it shall be disinfected or ventilated in the following manner as soon as possible and before it is again brought into use :—

Third and intermediate class carriages—

The interior wood-work of the carriages, especially the floors and seats, shall be thoroughly washed with a solution of perchloride of mercury (1 in 1,000) or with a carbolic acid solution (a wine-glassful to a gallon) the doors and windows shall be opened and the vehicle exposed to the air.

First and second class carriages—

The floors and wood-work shall be treated as above, the cushions being also brushed and thoroughly cleaned.

6. Any railway carriage from which a passenger who is suffering or suspected to be suffering from the plague has been removed, shall be detached at the nearest convenient station and shall be disinfected in the manner prescribed in the preceding regulation.

7. Any person disobeying or contravening or refusing to submit himself to any of these regulations shall be deemed to have committed an offence punishable under Section 188 of the Indian Penal Code and shall be liable on conviction to be punished with imprisonment of either description for a term which may extend to 6 months or with fine which may extend to one thousand rupees or with both.
